Dear Kari:

I wanted to take the opportunity to thank you for the services you have provided our Firm in the past year and a half. I have appreciated your willingness to problem solve on our behalf. You have been available and responsive to my calls and emails.

A significant portion of my daily responsibilities in keeping our business running smoothly and my business associates happy hinges on the working relationship I have developed with you and well as Steve and Clarence.

I look forward to many more years of working with all of you at San Diego Commercial Real Estate Services. Thanks again for all your efforts.

Best regards,

Barbara R. Bennett
